

# Village of Pelham Manor, New York Stormwater Management Program Public Education and Outreach Questionnaire

The Village of Pelham Manor is seeking information from residents and businesses with respect to their understanding of stormwater related issues in the community. In order to better understand what the Village must do to better inform residents and businesses, we ask that you complete the following short questionnaire and return it to the Village Clerk's Office in Village Hall or mailed to John T. Pierpont, Village Manager, 4 Penfield Place, Pelham Manor, New York 10803

Thank you for your support of Pelham Manor's continuing Stormwater Management efforts.

John T. Pierpont  
Village Manager

To record your answer, highlight the shaded box next to your answer and hit the "X" key. The highlighted box will be replaced with an "X".

1. Do you recall receiving any educational materials, reading or hearing about stormwater/water quality in the last 12 months?
