

Chapter 97
EMISSIONS, OFFENSIVE OR NOXIOUS

§ 97-1. Smoke.

[HISTORY: Adopted by the Board of Trustees of the Village of Pelham Manor as derived from Section 26 of the General Code of Ordinances. Amendments noted where applicable.]

§ 97-1. Smoke.

The emission of thick or dense smoke, soot, dust or cinders from a stack, flue, chimney or fire of any description, shall be deemed, and is hereby declared to be, a public nuisance and it shall be the duty of every person to refrain from the commission of such act and no owner or person in charge of or having control of any property, building locomotive or steamboat shall permit or allow any such thick or dense smoke, soot or offensive or noxious odor, dust or cinders to issue from any such stack, flue, chimney or fire; provided, however, that the provisions of this section shall not apply to the escape of smoke from any stationary stack, flue, chimney or fire for less than five minutes in any eight-hour period.
